**The Estes Park Resort Receives Best of Weddings, 2013 Award from The Knot, Inc.**

**ESTES PARK, Colo. – February 1<sup>st</sup>, 2013** - The Estes Park Resort: A Waterfront Hotel and Grille on Lake Estes announced today that they have been selected as a winner for the 2013 The Knot Best of Weddings. This is the first time The Estes Park Resort has won this award.

"For the past six years, WeddingChannel.com Reviews has been the definitive resource for our brides, providing them with unparalleled vendor recommendations directly from the tried-and-true experiences of fellow brides," said Carley Roney, cofounder and editor in chief of TheKnot.com. "We're thrilled to announce our 2013 Best of Weddings, crowning the best of the best across the country in the past year, based on more than 550,000 reviews from real brides."

This year, winners were required to have a good rating from the Better Business Bureau to win, in addition to the requirements from real bride reviews. The new process made it more difficult to win, so this year really does recognize the best of the best, providing brides with more meaningful and trustworthy recommendations. Approximately 9,800 local vendors received this prestigious award, representing the top 4 percent of local vendors on The Knot Wedding Network.

"The Estes Park Resort is honored to receive this award" said Christopher Carey, General Manager. "We are thrilled that we have been recognized for our vision of a mountain wedding setting, complimented by warm, professional service and delicious food - all in Colorado's most scenic destination. We know that less than 4 percent of all wedding vendors receive this prestigious award, and would like to say thank you to all our past wedding parties that have voted for us!"
